

# HarborStone Financial Group Profile

Company A | Specialty lending and payment services

## Business

HarborStone provides consumer and small-business lending, payment processing, and servicing technology. It is acquiring QuantaShield to improve underwriting, fraud detection, and external bank technology sales.

| 2025 indicator | Value    |
|----------------|----------|
| Revenue        | \$540.0m |
| EBITDA         | \$82.0m  |
| Free cash flow | \$58.0m  |
| Cash           | \$180.0m |
| Debt           | \$315.0m |

## Known seller concern

Two prior acquisitions exceeded their integration budgets, and one retained only 71% of founders and key executives at 24 months.
